September Minutes: Reviewed and Approved

Old Business:

Design Opine: A brown bag lunch tour was held on October 11th at Lenity Group. The next event is October 26th at Ventis Cafe.

Website: The next deadline for firms to contribute images to the website is December 15th. Ownership of the domain name is up for renewal and needs to be transferred to either AIA Salem, or to an appropriate board member.

AIA-Salem 50th Anniversary: The Committee is continuing to meet on the first Wednesday of each month. A list of representative buildings completed by AIA Salem Architects is being compiled, by decade, for the publication.

AIA-Oregon: The AIA-Oregon planning retreat is being held on November 4th.

Programs Update: The following upcoming programs were discussed:

November:

AIA-Salem Chapter planning meeting: November 8th, 5:30PM, Gambretti's.

Building Tour: November 16th, Noon, First Nazarene Church.

New Business:

Design Review Competition: A committee will need to be formed for next year to start work in March for an event early next fall.

Program Review: A follow-up the following past events was discussed.

McMinnville Chemeketa Classroom Building Tour (9/19): This event had a low turn-out, likely due to its distance from Salem for a lunch time event. A late afternoon time would probably have been better

October Social (10/7): This event had a low turn out. Scheduling this event on a friday was probably the main cause.

Willamette Theater Building Tour (10/21): This event was well attended. Having the client involved in the tour was especially insightful.

Next Meeting: Wednesday, December 14th, Noon, at Gambretti's, 323 High Street
